

LANDESVERBAND DVG AMERICA

CLUB OFFICERS FOR 20

Please complete this form and return it to your KG Membership Officer, the LV/DVG America Secretary and the LV Membership Officer, as soon as you hold your elections. In the case of a new club, you are to send all forms to your KG Membership Officer, as listed on the club application form. In the case of a renewing club, send all your rosters, Anmeldung/Abmeldung forms, dues money, etc. to your KG membership officer at renewal time. Since few clubs hold elections before membership renewal time, please send this form to me no later than December 15th each year, or as soon as you hold your elections for the coming year. Please include membership number, address, phone number and **E-MAIL ADDRESS FOR ALL OFFICERS**. If you hold elections later in the year, please fill out the form anyway so I can be sure to have the correct information on you club. PLEASE TYPE.

These are the only officers needed for my list, though you may have others. If you have both corresponding and recording secretaries, please simply list the secretary who should receive information from me. These are the officers Germany needs to know, particularly the President and Training Director, since scorebook applications, trial applications, etc., must be signed by one of these two and their names must be on file in Germany.

Send this form to your Kreisgruppe Membership Officer, the LV Membership Officer and to:
