Date of the Trial: \_\_\_\_\_

Judge's Name: \_\_\_\_\_

### For the attention of the trial chairman:

Before giving the judge book to the assigned judge, the information at the top of the rating sheets is to be fully and completely filled out (printed or typed).

### In the process is to be checked:

Has the dog reached the requisite age for the degree entered?

Has a proper and complete trial entry and valid scorebook been submitted for the dog entered?

For dogs put back into the Aged Class, check if the registration in the scorebook by the DVG office has been made. In case of doubt (pedigrees, scorebooks, etc.) get proof.

A quick, smooth and error free trial is only guaranteed if the trial chairman has carefully filled out and checked all trial documents. Jointly with the assigned judge, the trial chairman is responsible for the accurate observance of the organization rules.

**For the Trial Judge: The Judge book is to be saved for one year.**
